Betsy Gotta is one of the first ladies to become a square dance caller, has called at every National Convention since 1962, and won the Milestone Award from Callerlab for her many contributions to Square Dancing. Thus, her renown precedes her coming to Strawberry Square to call a special Challenge weekend. She will be calling our Club Night on Wednesday, Jan 11 (\$7); Advanced Dance on Friday, Jan 13 (\$7); the two Challenge sessions on Saturday, Jan 14 (\$7.50 each); and the Plus dance Saturday night, Jan 14 (\$7), with her husband Roy providing the round cues. You Gotta believe you don't want to miss the opportunity to dance with Betsy.
